

Bluebird

Cassie Steele

Am **F** **E(or G)**

As I swim mermaids dance with me

Am **F** **E(or G)**

As I drown they romance with me

Am **F** **E(or G)**

They sing sweet little harmonies

Am **F** **E(or G)**

Louder and louder until I can t breath

F

Hey blue bird on my shoulder

G

Can you carry me over?

Am **F** **E(or G)**

I talked to blue bird, why walk when you can fly?

Am **F** **E(or G)**

She told me, baby life tastes better when you re high

Am **F** **E(or G)**

I said hey blue bird can you take me for a ride

F **G** **E**
Leave me on a cloud, ill live with blue birds in the sky

As I walk I can feel the heat
As it burns I can smell the sweet
Piece by piece I am yours to feast
All this pain is seducing me

Hey blue bird on my shoulder
Can you carry me over?

I talked to blue bird, she said why walk when you can fly?
She told me, baby life tastes better when you re high
I said hey blue bird can you take me for a ride
Leave me on a cloud, ill live with blue birds in the sky
