E |-----4-----2-----0-----0-----2-----|

```

**C#m B/F# A or A2 F#m**

^(not sure of the names)

Tried to place chord changes exactly, but it will make more sense if you play along with

song the first time. F#m is almost always strummed up from the A.

Comments/ratings

Have fun!

Intro: **C#m B/F# A F#m**(strum once up, then silent)

Verse 1

**C#m B/F#**

I am easily influenced

**A F#m**

By others dos and don ts

**C#m B/F#**

How can they bring me up so high

**A F#m**

To sink me down like a stone

**C#m B/F#**

I m flirting with a nation

**A F#m**

Who wants to see me destroyed

**C#m B/F#**

All the things they give to me

**A F#m**

Are things that I should avoid

**C#m B/F# A F#m**

Cause I would go turn you dark

Verse 2 (same as Verse 1)

The soldier that s jaded

Is the one who can t fight

You ll reach for a hand  
And I ll laugh like you laughed  
Won t see color no more  
But you ll feel black in your soul  
I ll get on with the show  
And leave you out in the cold

C#m            B/F#   A   F#m            --continue to end

I made you go dark  
And everybody goes dark  
And all you people going dark  
The whole world just gets dark  
The whole world just gets dark  
Everybody goes dark

End on C#m
