Casting Crowns

intro **E F#m D A** (2x)

E **F#m**
I just looked up today
D **A** **E** **F#m** **D** **A**
And realized how far away I am from where you are
E **F#m**
You gave me life worth dying for
D **A**
But between the altar and the door
E **F#m**
I bought the lies that promised more
D **A**
And here I go again

E **F#m** **D** **E** **F#m** **D** **A**

E **F#m**
Lord, I know I let you down
D **A**
But somehow, I will make you proud
E **F#m**
I ll turn this sinking ship around
D **A**
And make it back to you
E **F#m**
But all my deeds and my good name
D **A**
Are just dirty rags that tear and strain
E **F#m**
To cover all my guilty stains
D **A**
That you already washed away

E **F#m** **D** **A**
(Cause) all you ve ever wanted, all you ve ever wanted
E **F#m** **D** **A**
All you ve ever wanted was my heart
E **F#m** **D** **A**
Freedom s arms are open, my chains have all been broken

Living free but from a prison cell

Lord, I lay it down today

E **F#m**
So I ll stop living off of how I feel
D **A**
And start standing on your truth revealed
E **F#m**
Jesus is my strength, my shield
D **A**
And he will never fail me
