

**American Dream Solo**

**Casting Crowns**

This is a great song, with a very simple lead. The following is how you would play the  
with a dedicated lead guitar.

```
e |-----|
B |--3--3--3--3/5/7--7--7--8--73-----|
G |-----|
D |-----|
A |-----|
E |-----|
```

If you just have one guitar, this lead is also simple to play while you play the  
rhythm  
the same time. Being that the correct rhythm is simply D and Bm , a few  
re-arranging  
the fingers is all you need to do.

```
e |-----0--2--2--2h3p3-----|
B |--3--3--3--3-----|
G |-----|
D |-----|
A |-----|
E |-----|
```
