

Does Anybody Hear Her
Casting Crowns

[Verse]

C **G** **Am** **F**
She is running a hundred miles an hour in the wrong direction
C **G** **Am** **F**
She is trying but the canyon s ever widening in the depths of her cold heart
G **C** **F**
So she sets out on another misadventure just to find
G **C**
She s another two years older
F
And she s three more steps behind

[Chorus]

C **G**
Does anybody hear her? Can anybody see?
Am **F**
Or does anybody even knows she s going down today
C
Under the shadow of our steeple
G
With all the lost and lonely people
Am **F**
Searching for the hope that s tucked away in you and me
C **G**
Does anybody hear her? Can anybody see?

[Verse]

C **G** **Am** **F**
She is yearning for shelter and affection that she never found at home
C **G** **Am** **F**
She is searching for a hero to ride in, to ride in and save the day
G **C** **F**
And in walks her prince charming and he knows just what to say
G **C** **F**
Momentary lapse of reason and she gives herself away

[Chorus]

C **G**
Does anybody hear her? Can anybody see?
Am **F**
Or does anybody even knows she s going down today
C
Under the shadow of our steeple

With all the lost and lonely people

Searching for the hope that s tucked away in you and me
