

My Own Worst Enemy
Casting Crowns

Hi guys! I found a couple of tabs for this song, but this way is a lot easier. I played along with the song, so I m about 99% sure it s right. The strumming is easy, just three single downstrokes and then two downstrokes on the verses, and then continual downstrokes on the pre-chorus and chorus. Rate and comment please!!!

Capo on first fret

Em **D**
God help me get away
Em **C** **Em**
Break the chains and set me free
 D **Em**
From the other side of me
 C* (One single downstroke and stop)
I am my own worst enemy

Intro-**Em D G C** x2

Em
I caught a glimpse in my rearview mirror
G **D**
Of an old familiar face
Em
The very image coming in clearer
G **D**
Of a past I can t erase

C **Em**
I could ve sworn I put him in the ground
Bmaj7
Looks like he s found his way out

Em **D**
God help me get away
Em **C** **Em**
Break the chains and set me free
 D **Em** **C**
From the other side of me
Em **D**
I can t fight this fight alone
Em **C** **Em**
I ll never make it on my own
 D **Em**
Lord Jesus rescue me

C*

I am my own worst enemy

Fill: **Em**

Em

I take a step and it's right behind me

G **D**

Always fighting for control

Em

There's a war that's raging inside me

G **D**

I feel the battle for my soul

C **Em**

It's like my shadow is dragging me around

Bmaj7

And you are my only way out

Chorus

Em **C** **Em** **C**

Lord help me feed the life I'm trying to live

D **C**

And starve the life I'm trying to leave

Em **C**

Help me believe the old is dead and gone

Bmaj7

And I am a new creation
