

Wedding Day
Casting Crowns

Wedding Day by Casting Crowns (Capo 1)

Intro " C Gm F

[VERSE 1:]

C
There's a stirring in the throne room
Gm F
And all creation holds its breath
C
Waiting now to see the bride groom
Gm F
Wondering how the bride will dress
C Gm-F
And she wears white

[VERSE 2:]

C
And she knows that she's undeserving
Gm F
She bears the shame of history
C
But this worn and weary maiden
Gm F
Is not the bride that He sees
Am F
And she wears white, head to toe
Am G
But only He could make it so

[CHORUS:]

Am
When someone dries your tears
F
When someone wins your heart
C
And says your beautiful
G
When you don't know you are
Am
When all you've longed to see
F
Is written on His face
Dm F
When love has come and finally set you free
C Am
On that wedding day

On that wedding day

F C

[VERSE 3:]

She has danced in golden castles

C

And she has crawled through beggar's dust

Gm

F

But today she stands before Him

C

And she wears His righteousness

Gm

F

She will be who He adores

Am

F

This is what He made her for

Am

G

[CHORUS:]

[BRIDGE:]

When the hand that bears the only scars

C

And heaven touch her face

F

And the last tears she'll ever cry

Are finally wiped away

Am

And the clouds roll back as He takes her hand

G

And walks her through the gates

F

Forever we will reign

[CHORUS:]
