Key: Bb Dorian (with added D)

Bb-Db-Ab-Eb (I-bIII-bVII-IV)

Bb **Ab** **Db**

Is this what you wanna hear, is this what you wanna know?

Eb

Iâ€™ll tell you everything, in the confessional

Bb **Ab** **Db**

Traded all my designs, bought myself a mood ring

Eb **Bb**

The colour of your finger doesnâ€™t tell me anything

Ab **Db**

Do you wanna be my only love, do you wanna be my favourite child?

Eb **Bb**

I might have to adopt you out, if I need the money yeah

Ab

Could this be the end of us, I donâ€™t wanna know

Bb **Eb**

But the end is coming

Bb
Db
 How good would that be, if we were together?
Ab
Eb
 If we had a family, living in a home
Bb
Db
 Teach you to talk right, treat your mother nicely

Ab Eb
 Look me in the eyeball, put away your phone
Bb Ab
 Cause you aided and abetted me, and I want you so selfishly
Db Eb
 But the people preventing me, know you better, know you better,
Bb Ab
 And I can't even get to you, to explain that it wasn't true
Db Eb
 Oh my love it is overdue, you're my favourite, you're my favourite

[Verse 2]

Bb Ab Db
 Walla walla ding dong, shooby dooby nice day
Eb
 The medicine is kicking in, and now they're taking you away
Bb Ab Db
 Clearing out my insides, my mind is like an hourglass
Eb
 And time is every pending, this case is ever pending
Bb Ab Db
 I wanna run away with you, I wanna steal you for my own
Eb Bb
 My favourite little specimen, the only thing that I call home
Ab Db
 Will you understand my pain, when you're fully grown?
Eb
 Oh the end is coming

[Chorus]

Bb Db
 How good would that be, if we were together?
Ab Eb
 If we had a family, living in a home
Bb Db
 Teach you to talk right, treat your mother nicely
Ab Eb
 Look me in the eyeball, put away your phone
Bb Ab
 Cause you aided and abetted me, and I want you so selfishly
Db Eb
 But the people preventing me, know you better, know you better,
Bb Ab
 And I can't even get to you, to explain that it wasn't true
Db Eb
 Oh my love it is overdue, you're my favourite, you're my favourite

[Bridge]
