(Smog)

When I was seven I told my mother,
To take me to the bay and put me on a ship.

Silver swordfish electric,
I can feel or dream down here.

If the water should cut my mind,
If the water should cut my life,
If the water should cut my mind,
Set me free,
I don t care,
I want to live in a bathysphere.

(**E5,C5**)

When I was seven my father said to me,
But you can t swim.
And I ve never dreamed of the sea again.

(**Em,C**)

If the water should cut my life,
If the water should cut my line,

(**E5,C5**)

If the water should cut my mind,
Set me free,
I don t care,
I want to live in a bathysphere.
