

Half Of You
Cat Power

To play this correctly strum the string below the chord open first, then the rest of the chord. For example when playing the A chord place your first, second and third finger on the D G B strings, second fret. before strumming play the A string, then strum together. Do this for all chords.
I will make a tab.

A **D**
When you give half of you

E **D** **A**
I want all of you.

A **D**
When you give half of you

E **D** **A**
I want all of you.

A **D**
When you go back window

E
You see shadows

D **A**
When you're shopping for me

A **D**
Cause when you give half of you

E **D** **A**
I want all of you.

A **D**
Sadness is a gentle mind

E **D** **A**
But a good woman has her hands to use

A **D**
Empty package of chips will tell you

E **D** **A**
What can be sold market and what can belongs to you

E **A** **D**
When you give when you give half of you

E **D** **A**
I want all of you.
