No Sense Cat Power [Intro] E Do you remember, do you remember That night in context? Making up shit Like we were animals Е We made no sense No sense G# We had no sex Can you see, can you see Can you see Can you see, can you see Can you see the moon Oh, so hollow What s the use G# When I can see right through you? What s the use? Е All the hearts that touch your cheek How they jump, they move, they embarrass All the hearts that touch your cheek How they jump, they move, they embarrass

They make no sense

```
E
No sense, no sense,
E
G#
No sense, we had no sex

( E G# )
```
