

Still In Love  
Cat Power

G C G C  
Today I passed you on the street  
G C G C  
And my heart fell at your feet  
G C  
I can't help it  
G C G C  
If I am still in love with you

G C  
Someone else stood by your side  
G C  
She looked so satisfied  
G C  
I can't help it  
G C G C  
If I am still in love with you

G C G C  
A picture from the past came slowly stealing  
G C G C  
As I brushed your arm, I was so close to you  
G C G C  
And suddenly I got that old-time feeling

G C  
I can't help it  
G C G C  
If I am still in love with you

G C  
It's hard to know another's lips kiss you  
G C  
And hold you just the way I used to do  
G C G C  
Oh heaven only knows how much I miss you

G C  
I can't help it  
G C G C  
If I am still in love with you
