

Still In Love

Cat Power

G C G C

Today I passed you on the street

G C G C

And my heart fell at your feet

G C

I can't help it

G C G C

If I am still in love with you

G C

Someone else stood by your side

G C

She looked so satisfied

G C

I can't help it

G C G C

If I am still in love with you

G C G C

A picture from the past came slowly stealing

G C G C

As I brushed your arm, I was so close to you

G C G C

And suddenly I got that old-time feeling

G C

I can't help it

G C G C

If I am still in love with you

G C

It's hard to know another's lips kiss you

G C

And hold you just the way I used to do

G C G C

Oh heaven only knows how much I miss you

G C

I can't help it

G C G C

If I am still in love with you
