INTO WHITE

D A E D A E...

D A E D A E

I built my house from barley rice

D A E D A E

Green pepper walls and water ice

A D E Gmaj7(add9) D/F#

Tables of paper wood, windows of light

D A E F#sus4 F#

And everything emptying into white

D A E D A E

A simple garden with acres of sky

D A E D A E

A brown haired dogmouse if one dropped by

A D E Gmaj7(add9) D/F#

Yellow delanie would sleep well at night

D A E F#sus4 F#

With everything emptying into white

D A E D A E

A sad blue eyed drummer rehearses outside

D A E D A E

A black spider dancing on top of his eye

A D E Gmaj7(add9) D/F#

Red legged chicken stands ready to strike

D A E F#sus4 F#

And everything emptying into white

D A E D A E

I built my house from barley rice

D A E D A E

Green pepper walls and water ice

A D E Gmaj7(add9) D/F#

Tables of paper wood, windows of light

D A E F#sus4 F#

And everything emptying into white
