

**F**            **Am**                            **G**                            **G7**  
 Only a song to warm you, through the night?  
**Am**                            **G**                            **D F**                            **C**  
 Where do you go, where do you go, after lies are told,  
**F**                            **Am**                            **G**                            **F**                            **C**    **F, C**  
 And the light of truth is blown out, and the night is cold?

Interlude: (with Mmm s)

**C, F, C, C G C G, C, F C** (x2)

Verse 3:

**C**                            **F**                            **C**  
 Roadsinger rode on, to another land,  
**C**                            **G**                            **C**                            **G**                            **C**    **F, C**  
 Though the people spoke a different tongue; it under-stand.  
**C**    **F**    **C**  
 They showed him how to share, and took him by the hand,  
**C**                            **G**                            **C**    **G**    **C**    **F, C**  
 Showed him the path to Heaven, through the desert sand.

Chorus 3:

**Am**                            **G**                            **D F**                            **C**  
 Where do you go, where do you go, to find happi-ness,  
**F**                            **Am**                            **G**                            **G7**  
 In a world filled with hatred, tears?  
**Am**                            **G**                            **D F**                            **C**  
 Where do you go, where do you go, if no one cares,  
**F**                            **Am**                            **G F**                            **C**    **F, C**  
 And every-body s lost, looking for theirs.
