Here are a couple of Cat Stevens Tunes I learned from the recordings last summer.

The Wind

By Cat Stevens

Presented to you by Paul D. Black

This is a short, catchy little ditty. It is off of the Teaser and the Firecat album.

Below is the tab to the verse. There is some fingerpicking involved in that part of the song.

For the chorus part, I just gave the chords since they are in the standard position and you ll really have to hear the recording to get the strum pattern (that what gives it it s flavor).

This is just approximate. You ll have to listen to the record to get the exact chordal pattern. When you hear it you ll see (hear) what I mean.

1st guitar on intro:

```
+-----+-----+-----+-----+-----+-----+-----+
|           |           |           |           |           |
+-----10-----+-----10-----+-----10-----+-----10-----+
|           |           |           |           |           |
+---7---+---7---+---7---+---7---+---7---+---7---+---7---+
|           |           |           |           |           |
+--0-----+--0-----+--0-----+--0-----+--0-----+
|           |           |           |           |           |
+-----+-----+-----+-----+-----+-----+
|           |           |           |           |           |
+-----+-----+-----+-----+-----+-----+
```

2nd guitar on intro and this following pattern continues throughout the

verse. H = Hammer

Verse 1:

I listen to the wind, to the wind of my soul.
Where I ll end up, well I think, only God really knows.

Chorus: ??

G A G A D Em

I sat upon the setting sun

A G A G A G

I never, never, never, never

A G A D Em

I never wanted water once

A G A D (back to the verse)

I Never, never, never.

Verse2:

I listen to my words but they fall far below.
I let my music take me where my heart wants to go.

G A G A D Em

I swam upon the Devil s Lake

A G A G A G

I never, never, never, never

A G A D Em

I ll never make the same mistake

A G A D

I Never, never, never.

(Back to the verse guitar pattern. Repeat twice and end.)

Many thanks to Paul Black for posting the TABs for the Steven s songs.
I have a slightly different take on the chorus of the Wind, but Paul s
version is probably more accurate. It s been --mmm- 20 years since I
actually listened to the Wind... Anyway, here s the way I play
the chorus (starting from G):

A G A D E-

I sat upon the setting sun

G E- G Asus4 A7 G

I never, never, never ne ver

A G A D E-

I never wanted water once

G E- A G D

I never, ne ver never
