A **D7sus4** **E7** **A**
I got your message today, isn't it hard to be recumbent again?
A **D7sus4** **E7** **A**
He comes and ruins your day, a shove in the side enough to drive you insane
C **B**
But when you go to talk about your fling
E **F#**
You make it great, make it a brilliant thing
A **C** **B7sus4** **A7**
It never ends when you're bored, curious and unsure
A **D7sus4** **E7** **A**
I saw the photographs too, frozen reminders of what interest can do
A **D7sus4** **E7** **A**
Of how he gave it to you, a generous fool forgets how hard he can bruise
C **B**
But when you go to talk about your fling
E **F#**
You make it great, make it a brilliant thing
A **C** **B7sus4** **A7**
It never ends when you're bored, curious and unsure
