BEAUTY NO. 3, by The Catchers - From the album "Mute"

[INTRO]

(Am C D C) x2

[tab]Am C D C Am
In her sleeping years deeply slung within a hammock made of skin[/tab]
[tab] C D C G
she opened her caverns to the hunger of the lost and their kin[/tab]
[tab] D C G
they fed on her vanity and soon they both became content[/tab]
[tab] D C Am
men cut holes in her body but she was so confident[/tab]
[tab] C G D Am
With your eyes and sorcery come beauty number 3[/tab]
[tab] C G D C
can t you see the tragedy as your dream begins to leave[/tab]

[tab]Am C D C Am
While a traveller began to gore upon her she looked deep into the ground[/tab]
[tab] C D C G
and momentary floods of thought unstyled and mystified rained down[/tab]
[tab] D C G
on to her pretty head and she began to feel afraid[/tab]
[tab] D C Am
and when she woke she found her beauty had decayed[/tab]
[tab] C G D C
And no one goes close to her then they wait for the moment when[/tab]
[tab] C G D C
she is dreaming of her men in case she accuses them[/tab]

[tab]Bm Am C
She mourns the existence of time[/tab]
[tab] D Bm

while though she s empty all she feels is tense[/tab]
 [tab] **Am C**
 and so she passes her time[/tab]
 [tab] **D**
 by dreaming for the strength of children[/tab]
 [tab] **Am C G D Am**
 with your beauty you deceived come simple no. 3[/tab]
 [tab] **C G D Am**
 can t you see the tragedy as you lose your only dream[/tab]
 [tab] **C G D Am**
 I loved you for yourself I never needed anything else[/tab]
 [tab] **C G D**
 oh beauty no. 3[/tab]

[tab] (**Am C G D**)
 (She could be anything you wanted her to be) x3[/tab]

[tab] **Am C G**
 beautiful blank, beauty no. 3[/tab]
