

Flaming Star
Catedral

Intro: **D Bm**

D **Bm**
Ev ry man, has a flaming star

Bm **G**
A flaming star, over his shoulder

D **Bm**
And when a man, sees his flaming star

Em **D**
He knows his time, his time has come

D **Bm**
Flaming star, don t shine on me, flaming star

D **Bm**
Flaming star, keep behind me, flaming star

Em
There s a lot of livin I ve got to do

Em
Give me time to make a few dreams come true

Bm
Flaming star

When I ride, I feel that flaming star
That flaming star, over my shoulder
And so I ride, front of that flaming star
Never lookin around, never lookin around
Flaming star, don t shine on me, flaming star
Flaming star, keep behind me, flaming star
There s a lot of livin I ve got to do
Give me time to make a few dreams come true
Flaming star

One fine day, I ll see that flaming star
That flaming star, over my shoulder
And when I see, that old flaming star
I ll know my time, my time has come
Flaming star, don t shine on me, flaming star
Flaming star, keep behind me, flaming star
There s a lot of livin I ve got to do
Give me time to make a few dreams come true
Flaming star
