

**Asa**  
**Catfish And The Bottlemen**

**Am**  
When our minds are crushing

You ring me up  
**F**  
And say baby I m alone

And I ve got ideas  
**Am** **F F F F**  
Won t you please come and pick me up?

**Am**  
And we ll disappear from town  
  
There s a little place I ve found  
**F**  
By my work

It s down by the Mersey  
**Am** **F F F F**  
She tried to show me how much she missed me

**G Am F**  
And I said please, honey save it?  
**Am C G F**  
Cause I just want to know, how you feel, about us  
**Am C G F**  
And I, just want to know where you spent last night!

**Am**  
I bet you didn t recall the night where we start  
**D**

And you led me on, and they all went out  
**Am D**  
Without us, and we stayed back and rumbled

**Am**  
You with your misleading tattoos  
**D**

And your New York City style  
**Am D**  
And your Jackie Ryan soul

**F C G**  
And she said please, honey save it  
**F C Am**  
Cause I never meant for it to get this good
