

Asa
Catfish And The Bottlemen

Am
When our minds are crushing

You ring me up
F
And say baby I m alone

And I ve got ideas
Am F F F F
Won t you please come and pick me up?

Am
And we ll disappear from town
There s a little place I ve found
F
By my work

It s down by the Mersey
Am F F F F
She tried to show me how much she missed me

G Am F
And I said please, honey save it?
Am C G F
Cause I just want to know, how you feel, about us
Am C G F
And I, just want to know where you spent last night!

Am
I bet you didn t recall the night where we start
D

And you led me on, and they all went out
Am D
Without us, and we stayed back and rumbled

Am
You with your misleading tattoos

D
And your New York City style

Am D
And your Jackie Ryan soul

F C G
And she said please, honey save it
F C Am
Cause I never meant for it to get this good
