

Conversation

Catfish And The Bottlemen

[Intro] **Em** **G** **C**
Em **G** **C**
Em **G** **Am**
Em **G** **C**

[Primeira Parte]

G
I d love to find myself
Looking straight up to you for the answers **C**
G
For when I ve found myself
Wrapped up in my own little world **C**

[Pré-Refrão]

Em **B7**
Cause you tell me to get through tomorrow
G **A** **C**
cause you know how it feels

Yes, you know how it feels

[Refrão]

Em **G** **C**
When the perfect conversation

Looks you in the eyes
Em **G** **C**
And says they get what you ve been saying

This whole time
Em **G** **Am**
You can look for confirmation

All your life
Em **G** **C**
But you ain t gonna find much better than this

[Segunda Parte]

G
You stood beside myself
C

When everything lacked momentum

G

You stood beside myself

C

When I needed somebody who knows

[Pré-Refrão]

Em B7

Who knows just how to tell me how to get through tomorrow

G A C

Cause they know how it feels

Yes, they know how it feels

[Refrão]

Em G C

When the perfect conversation

Looks you in the eyes

Em G C

And says they get what you've been saying

This whole time

Em G Am

You can look for confirmation

All your life

Em G C

But you ain't gonna find much better than this

[Ponte]

Am D

And I know, after all that's gone on

Am D

There's no, comparing us at all

C D Em

How did you expect me to leave it

C D Em

When you know me more than I know myself

C D Em

The minute you're up for it I mean it

C D Em

We'll find a little moment in time

C D

To set up somewhere different for a while

[Refrão]

Em G C

When the perfect conversation
