Catie Curtis

[Intro]
D A D D

[Verse 1]
```
      D                 G              D
We are passing this world on to our kids
      G            D/F#          Em
From the day when they climb from their cribs
      A
We ll try and teach them well, show them that they re loved
        G                         A
But in the end all we can do is hope our best was good enough
        D                         D7
They ll witness how this life can be so beautiful and cruel
        G                                      E
We can t shelter them forever but if we show them all the tools
          A                 A#dim7       Bm              G
They might leave this world in a little better shape than me and you
D     A         D
We are only passing through
```

[Chorus]
```
        D               D7              G
Passing through (passing through), passing through
D      E         A
We are only passing through
        D               D7              G
Passing through (passing through), passing through
D      A         D
We are only passing through
```

[Verse 2]
```
      D                 G              D
We are watching this world from our living rooms
    G                 D/F#          Em
Near forty years since we walked on the moon
      A
This big blue ball is shrinking and I don t know if that s good
        G                               A
But for better or for worse now this whole world is our neighborhood
              D                     D7
And there is no place left to run to,  to stay above the fray
G                               E
  We better learn to get along not just to get our way
      A           A#dim7       Bm              G
Not only for each other but our children s children too
D      A           D
```

We are only passing through

[Chorus]
```
        D                 D7                 G
Passing through (passing through), passing through
D       E         A
We are only passing through
        D                 D7                 G
Passing through (passing through), passing through
D       A         D
We are only passing through
```

[Verse 3]
```
        D                 G                 D
And I wonder sometimes what will I pass on
    G                     D/F#            Em
How much can one voice do with just a song
            A
Sometimes injustice and indifference are all that I see
        G                           A
But I refuse to let my hope become the latest casualty
        D                           D7
So I ll sing of love and truth and try to practice what I preach
    G                                       E
If I can t change the world, I ll change the world within my reach
     A                 A#dim7           Bm                 G
What better place to start than here and now with me and you
D       A         D
We are only passing through
```

[Chorus]
```
        D                 D7                 G
Passing through (passing through), passing through
D       E         A
We are only passing through
        D                 D7                 G
Passing through (passing through), passing through
D       A         Bm      G
We are only passing through
D       A         D
We are only passing through
```
