Intro: Ebm--, Ebm-Bbm-B-- x3, C#--

Verse 1:

**Ebm**  
Sweat drenched skin  
covered in white lace  
devilish accomplice  
in lingerie  
tonight tonight  
revenge has a face  
and she s gonna  
have her way  
**Ebm**            **Bbm**  
open windows and  
**B**  
unlocked doors  
**C#**  
secrets left on  
**F#**            **C#/F**  
bedroom floors  
**Ebm**  
we ll stay in here  
**Bbm B**  
un--der these sheets  
**C#**  
playing this game of  
**F#**            **C#/F**

twisted hide and seek

Refrain:

**B** **F# C#**  
don t try to run

**Ebm**

she ll find you

**B** **F# C#**  
don t make this hurt

**Ebm**

more than it has to

**B** **F# C#**  
just a kiss her taste

**Ebm**

could cure me

**B** **F#**  
I need a fix for my

**C#** **Ebm**  
sweet tooth craving

Chorus:

**F#**  
I m doing this

**Ebm**

purely for revenge  
loathe every moan

**B**

and creak in the bed  
I ve gotta say I m

**C#**

quite impressed  
how fast she fell

**F#**

out of that dress  
every dirty word  
she whispered

**Ebm**

and every sick thing  
she screamed

**B**

I hope they echo

**C#**

off your walls  
I hope they haunt  
your every dream

Verse 2:

**Ebm**

deep breaths with the  
cruellest intentions

a motive we re  
not gonna mention  
revenge revenge is a girl  
I know and she  
can t let this go

**Ebm**                      **Bbm**  
through the keyholes

**B**  
off the walls

**C#**  
echoes chasing

**F#**              **C#/F**  
down the halls

**Ebm**              **Bbm**  
evidence spread

**B**  
all around

**C#**  
patiently waiting

**F#**              **C#/F**  
waiting to be found

(Repeat Refrain and Chorus)

Post Chorus:

**Ebm**                      **Ebm**  
Your every dream  
(Repeat Twice)

Ebm--F#--B--C#--

Bridge:

**Ebm**  
I wont just  
                         **F#**  
stab your back  
I ve got blueprints  
                         **B**  
for attack  
and it won t be quick

**C#**  
i ll tell you this  
I think you know me  
                         **Ebm**  
better than that  
with surgical precision

**F#**  
I ll make a  
small incision

**B**

directly to the

**C#**

side of your spine

I m taking back

what s mine

**Ebm**

with surgical precision

**F#**

I ll make a

small incision

**B**

directly to the

**C#**

side of your spine

I m taking back

what s mine

(Repeat Chorus twice)

(Repeat Post Chorus)
