Who will find us here

All alone my dear

The angels or the ambulance
C# **F#** **C#**
Which will save us now

All the pills we ve downed
F# **C#** **F#**
Miracles or medicine

Verse 2:

E
The cold damp air
 F#
The glass in your hair
The Smell of perfume
 G#m
mixed with gasoline
 F#
I think I might be sick
 E
As the radio
Plays a song we know
 F#
Through a static frequency
 G#m(hold)
I hear it freely
 F#
The blood and makeup
on your face
 E
Itâ€™s hard to see
 F#
Youâ€™re hard to see
 G#m
But you re beautiful
And I ve told you so
 F#
Maybe not enough but
you need to know
 E
That I meant it
 F#
That I meant it everytime

(Repeat Chorus twice)

Bridge:

E **F#**
Your eyes look like glass
G#m **B**
As tears freeze on their lashes
E
Your lips won't stop
F# **G#m** **B**
shaking as time quickly passes
E **F#**
Outlines in dark red
G#m **F#**
of angels where you lay
E **F#**
The epitome of all
G#m
beauty is dying slowly
F#
Right in front of me

Verse 3:

B **G#m**
Send flashing lights
C#m
Distress calls in the night
Whereâ€™s the heroes
E
When you need them the most
B **G#m**
Send anything
C#m
I donâ€™t care anymore
Whereâ€™s the miracles
E
when youâ€™re all out of hope

(Repeat Chorus)
