

I never meant to hurt you

B

never meant to say those things

A

never meant to write them down

E

C#m

in a song about the way it used to be

B

It used to be so good

A

You used to be my everything

Post Chorus 1: C#m---A-G#m x2

Verse 2:

C#m **A**

I just want you to know

B

that I m just fine on my own

C#m **A**

Do you want me to know

B

that you hate being alone?

C#m **A** **B**

Did you think I would fall for

this over again we re repeating

C#m **A** **B**

Did you think I would crawl back

crawl back one more

Refrain 2:

A **C#m** **A** **C#m**

time to feel the way I feel

(Repeat Chorus)

Post chorus 2: A----

Bass lines: C#m---A-G#m x2

Bridge:

C#m

How s your hand?

My eyes healed nicely

A

How s the time

B

pass by without me?

C#m

I hope this hurts like hell
cause why should you be fine?

C#m

How s your hand?
My eyes healed nicely
How s the time
pass by without me?
I hope this hurts like hell

A

cause why should you be fine?
(Repeat)

Verse 3:

C#m

A

B

Told me you need something better
What is better than love?

C#m

A

B

Told me you need something new
But all I need is you

C#m

A

B

Did you think I would fall for
this over again we re repeating

C#m

A

B

Did you think I would crawl back
crawl back one more time to feel

(Repeat Chorus)
