spend waiting for

Nights with her
 F--
again again

drink with a memory

 C
an empty seat

Do you still look the same?

Will you still

look at me the same?

F

Cause I know that I donâ€™t

G

Iâ€™ve gotten so old

Am

G

in these last few years

And Iâ€™d rather be fighting with you

Am

Than sleeping here, next to her

Donâ€™t let me fall, Iâ€™ll break

What a mess Iâ€™d make

Pathetic --pieces-- on your floor

Will cut your feet forever more

Youâ€™re porcelain, such fragile skin

I wonâ€™t drop you

This time Iâ€™ll be careful

C

G

Forget for just one second

Am

G

That this is not alright

C

G

Letâ€™s drink to feeling nothing

Am

G

At least just for tonight

F

Stay for one more

G

Pass out on the floor

Am

like we used to do

G

It got so hot in your room

(Repeat Chorus)

Bridge:

F **G** **Am**
And I can't let it go

F **G**
This phantom pain

I'm feeling

leave me alone

And I'm tired of
G **C(hold)**
sleeping with ghosts

Verse 3:

C
Fell asleep
with your ghost

G/B
Woke up with a
headache

From the cure that's
only temporary

And in the morning
always fails me

(Repeat chorus)
