Fm - 133111  
**C#** - x46664  
G# - 466544  
**Eb** - x68886

Intro: Fm--C#--

Verse 1:

**Fm**  
Tie these hands  
They shake too  
          **C#**  
much to hold you  
To hold you  
          **Fm**  
With wandering eyes  
Itâ€™s so hard  
          **C#**  
to watch you  
To watch out for you  
To watch out for you

Chorus:

**G#**  
Every time you almost died  
**Fm**  
I chased your soul to the sky  
**C#**  
And brought it back to you  
Before your body  
knew that it was gone  
**G#**  
Every cut that didnâ€™t scar

**Fm**

**C#**

I know exactly where they are  
I wear them all for you  
Your skin is such a nicer tissue

Verse 2:

**Fm**

Iâ€™m out of shape and

**C#**

Much too slow to chase you  
To chase you

**Fm**

Itâ€™s time you  
found somebody new

**C#**

To save you  
â€˜Cause I canâ€™t save you  
I canâ€™t save you

Refrain:

**Eb**

**Fm**

No this is not alright

**C#**

Everythingâ€™s not fine

**Eb**

Donâ€™t trust me with your life

**Fm**

Donâ€™t put your faith in me

**C#**

Iâ€™m much too weak to  
keep you safe tonight  
(Repeat)

(Repeat Chorus)

**C#**

Your skin is such a nicer tissue

Bridge:

**Fm**

Iâ€™m cutting off my wings  
I donâ€™t deserve to fly

**C#**

What the hell have I done  
I almost let you die

**Fm**

I let you down my friend

I failed you once again  
But this time is way too  
**C#**(hold)  
close I can't save you

Verse 3:

**Fm**

I'm a fake  
I'm entirely  
made out of plastic

**C#**

I'm a fake  
I'll destroy almost

**Fm**

anything delicate  
I'm a fake  
Make you think that

**C#**

everything's perfect now  
I'm a fake, I'm a fake  
And I've been found out

(Repeat Chorus)

Outro:

**C#**

**G#**(hold)

I traded my skin for your scars
