Verse 1:
Fm   **C#**
  Standing on my doorstep in the rain
Fm   **C#**
  Make-up running down your face
Fm   **C#**
  You look so good right now
    Eb
Itâ€™s bittersweet that you run to me
Fm   **C#**
  I need you I bleed you
Fm   **C#**
  I would give up breathing for you
Fm   **C#**
  If you would take my
      Eb
breath and hold it in

I need to be

Chorus 1:
  G#
Inside of you
                 Bbm
Show me where it hurts
                     Fm
Show me what love's done to you
                          Eb
Don't try to move you'll only
                           G#
make it worse than it is already
                 Bbm
You had to be so strong
                   Fm
and I had to be so useless
                 Eb
I'm always fucking useless
useless without you

Verse 2:
Fm   **C#**
  Tears ran down your face
   Fm   **C#**
Like rain on the window
        Fm   **C#**
you were looking out
               Eb
What were you looking for?
I won't ask tonight
Fm   **C#**
  I need this just one kiss
Fm   **C#**
  A gentle touch
your sweet caress
Fm   **C#**
  My heart would break
           Eb
my ribs if I hold this in
I must confess

Refrain:
  Fm
I hate myself
for needing this
  Eb
I love our
twisted little mess
  Fm

I know itâ€™s wrong
but it just feels right
    Eb
The taste of tears
is bittersweet

Chorus 2:
  G#
Tonight
             Bbm
Show me where it hurts
             Fm
Show me what loveâ€™s done to you
               Eb
Donâ€™t try to move youâ€™ll only
                G#
make it worse than it is already
          Bbm
You had to be so strong
            Fm
and I had to be so useless
            Eb
Iâ€™m always fucking useless
useless without you

Verse 3:
Fm   **C#**
  Iâ€™m scared as hell
Fm   **C#**   **Fm**
  Itâ€™s about time that I tell you all
   C#   **Fm**
the things that you should know
        C#
All the things Iâ€™m too scared to show
Fm   **C#**
  I need you I bleed you
Fm   **C#**
  I would give up breathing for you
Fm   **C#**
  If you would take my
      Eb
breath and hold it in

(Repeat Refrain)

Chorus 3:
  G#
Tonight
             Bbm

Show me where it hurts
                            Fm
Show me what love's done to you
                                Eb
Don't try to move you'll only
                                    G#
make it worse than it is already
                        Bbm
You had to be so strong
                            Fm
and I had to be so useless
                            Eb
I'm always fucking useless
                    G#(hold)
useless without you
