Verse 1:

**F#**

As we dance here in

**Ebm**

this empty apartment

**B**

Echoes of laughter  
will long live here after

**C#**

Put your memories in boxes  
And cut all your losses

**F#**

Romance left

**Ebm**

this place long ago

**B**

If these walls  
could talk

**C#**

Theyâ€™d tell me

**Ebm-C#/F-B x2**

itâ€™s time to go

Refrain:

**Ebm** **C#/F**

You gave this place

**B**

so much color

**Ebm** **C#/F**

I don't know why I

that before

You gave life

Without you

**C#/F** **B**(hold)

it's empty space

Verse 2:

**F#**

As we kiss knowing

**Ebm**

that it's our last one

Pull the sheets

from the mattress

Sleep hasn't found us

**C#**

Take the curtains

from the window

Let the world see

this last dance

**F#**

And now what

**Ebm**

is left for us

**B**

Turn all the

lights out

**C#**

Lock the door

**Ebm** **C#/F** **B**

behind us

(Repeat Refrain)

Chorus:

**C#**

Someone else can

hang pictures

over holes in the walls

**Ebm**

Duck and take cover from

the screams in the hall

**B**

Sing you to sleep when  
youâ€™re hurt from the fall

**F# C#/F B C# F#/Bb B x2**

And somehow I will miss this all

Verse 3:

**B**

Let s burn this place down

**C#**

and scatter the ashes

**Ebm**

Paint it with gasoline

**C#/F**

and start throwing matches

**B**

Somewhere in this wreck

**C#**

remains dying love

(Repeat Refrain)

(Repeat Chorus except last line)

**F# C#/F Ebm C#/F B**

And somehow I will miss this all

Outro:

**F#**

As we dance knowing

**Ebm**

that itâ€™s our last one

**B**

If these walls could talk

**C#**

theyâ€™d tell us

**Ebm C#/F B(hold)**

itâ€™s time to go
