I didn t realize it d be so hard
G B
You and me, sitting on the trampoline

I think one time we fell asleep

Woke up and felt like it d been weeks

And now it truly has been

G B
(Forgive yourself)

It wasn t meant to be but it s funny how

Em C
Life dealt this cheat
D Dsus4
To someone who could handle it so well

G B
And while you sleep in the pouring rain

Em
Just know I ll be with you someday

C D
And I ll have a good one til then

Just like you told me

(G B Em D Dsus4)
