

Another One Of Those Days
cavetown

[Intro]

D / A7 / C7 / G x2

[Verse]

D A7 C7

Cycling downtown

G D

Thought the fresh air would pick me up

A7 C7

Up up and away from the ground

G A7 A7

But thereâ€™s no talking dog up here

G A7

Blowing up balloons with my dear

[Chorus]

D A7 C7 G D

Hoped maybe Iâ€™d see a familiar face on my way

A7 C7 G D

Passed by some cannabis seeds, it all smells exactly the same

A7 C7 G D

I saw a girl in my dreams but I donâ€™t remember her name

A7 C7 G

I guess itâ€™s just another one of those days when Iâ€™m missing everything

[Instrumental]

D / A7 / C7 / G x2

[Verse]

D A7 C7

Carousel round and round

G D

Like a kidâ€™s toy you wind me up

A7 C7

And Iâ€™ve got nothing to say

G A7 A7

So you just throw me in the dump truck

G A7

Hoping round the corner Iâ€™ll see her

[Chorus]

D A7 C7 G D

Passed that kid from chemistry who made fun of my name

A7 C7 G D

He didnâ€™t look very happy, I guess we all turn out the same

A7 C7 G D

I saw a girl in my dreams, she kissed me on the face

A7 **C7** **G**
I guess itâ€™s just another one of those days when Iâ€™m missing everything

[Instrumental]

G / G / D / A7 x2

[Bridge]

G **G** **D** **A7**
When she shows up she can sit on my shoulders

G **G** **D** **A7** **G**
Cause Iâ€™m so strong, I wish

G **D** **A7** **G**
Piggy back ride to the hill, then we roll down

G **A7** **D**
Feeling like kids for the rest of our lives

[Instrumental]

D / A7 / C7 / G x2

D **A7** **C7** **G**
Hoping in the morning I ll meet her

[Chorus]

D **A7** **C7** **G** **D**
But for now I ll just be lonely, and my arms will feel so bare

A7 **C7** **G** **D**
Dreaming bout her body round me, with my fingers in her hair

A7 **C7** **G** **D**
It might be so easy, but I am just too scared

A7 **C7** **G**
Cause I saw a girl in my dreams, but she doesn t like me

[Outro]

D / A7 / C7 / G
