Lifeâ€™s a treat in devil town

G Dm E

My ears have acclimated to the sound

Am Em F C

Pretty faces fly around and around

G Dm E

My head as it contemplates this town Iâ€™ve found

C G

Itâ€™s lovely in the evening time but

Am

Every time I close my eyes the

F

Sunshine gets a little dimmer

C G

Now the clouds fall down

Am

I sink my teeth into my fingers

F

Blossom swims across the river

C G

How do you feel so proud

Am

Every time I close my eyes the

F C

Colours fade and change inside my mouth

G

Itâ€™s all too loud

Am

I sink my teeth into my fingers

F

Blood forms branches in the water

C G
