

Its U  
cavetown

[Intro] G G7M Em A7

Em B  
I guess it s just another one of those nights  
G  
When I ll spend way too much time  
Cm  
On something so small that no one really cares about at all  
Em B  
I guess it s just another one of those thoughts  
G  
And I can t really find a cause  
Cm  
Whether it s all just in my mind or something more here in my life

G G7M  
It s u, it s u  
Em  
Oh God, it s u  
A7  
It s u  
G  
If you re awake then I am too  
G7M  
If you re lost then I ll find you  
Em A7  
If you re hurt then I ll fix you  
G  
If you go blind I ll describe the view  
G7M  
If you can t feel then I ll hold you  
Em A7  
If you fall know I ve got you

G G7M Em A7  
And if you fall down too far and I can t see you through these marks  
G G7M Em A7  
And your eyes are covered in scars, and my head s filling with tar  
Don t worry we ll find another way out

( G G7M Em A7 )

Em  
Your silhouette doesn t look quite right  
B G  
And I can never find the time  
Cm

To bury my hands in words
