

Crash
Cavo

i am not sure about this

this is the intro which i think it S not quite right
GGG **Fm Fm Fm(3X)F C G**~~

G
You re a beautiful wreck now you re out of control

F G

Crossing the double lines

G
You re a perfect disaster, the road to catastrophe

F G

Don t stop for the signs

C G

Heartbreak waiting to happen

G C G

Headlights cut through the rain

C G

C G

Tears hit the windshield and I can t look away

F C G Fm! G Fm!

Every mile gets you further away from the past

F C G Fm! G Fm!

Feels like you re shattered and covered in broken glass

F C G C G

And I ll be here the next time that you crash

G
Time turns to rust and it s hard for you to trust

C G

Every turn every shoulder you feel

G
But I m right here when it s just too much

C G

You can let me take the wheel

G C
Heartbreak waiting to happen

F C G Fm! G Fm!

Every mile gets you further away from the past

F C G Fm! G Fm!

Feels like you re shattered and covered in broken glass

F C G

And I ll be here the next time that you crash

F C F

Yeah, I ll be here the next time that you crash

C **G**
I m right here in front of you
F **C**
Justask and I ll hold your breath in my hands
F **C** **G**
And I ll save you when you crash
