Beam Me Up - Cazzette
<http://www.cazzette.com/>

Standard Tuning (EADGBE)
Capo on 1st Fret

I play the entire song with bar chords. Capo on the first fret isn't necessary (just make sure you transpose +1) - I just find that it makes life easier.

Intro (3x): **F#m** **E** **C#m**

F#m **E** **C#m**
Tonight we'll run away

F#m **E** **C#m**
Speeding faster than a midnight train

F#m **E** **C#m**
Somewhere to such a place

F#m **E** **C#m**
Where the stars come out to light your face

F#m **E** **C#m**
We'll leave behind a world in darkness

F#m **E** **C#m**
Go where no one's broken hearted

F#m **E** **C#m**
Take off without a trace

F#m **E** **C#m**
Neon angels, up, up and away

F#m **E** **C#m**
Diamond clouds, I think we're getting closer

F#m **E** **C#m**
Don't stop now

F#m **E** **C#m**
Off the ground, Higher than a supernova

F#m **E** **C#m**
Don't look down

F#m E C#m
Don t look down
