

**Bright Lights Bigger City**  
**Cee Lo Green**

there are only 2 chords in this song..amazing!

**B** - x244xx or x2444x

**Em** - 022xxx or 022000

standard tuning

intro:

**B Em**

**B**

Iâ€™m living for the weekend but know â€| more

**Em**

Cause she comes that for me your feeling That Fridayâ€™s famous for

**B**

Yeah, Iâ€™m looking for some action

**Em**

And itâ€™s out there somewhere You can feel the electricity, on and in the air

**B**

And it may be just more off the same

**Em**

But sometimes I wanna go out where â€| knows your name

**B**

So I guess Iâ€™ll have to wait and see

**Em**

But Iâ€™m just gonna let something brand new happen to me

Chorus:

**B**

**Em**

And it s all right, it s all right, it s all right, it s all right, it s all right

**B**

**Em**

Bright lights bigger city belongs to us tonight, tonight

the rest is the same: B Em...

Friday s cool but there s something about Saturday night

You can t say what you won t do cause you know you just might

Our lives this evening it was love at first sight

This Saturday and every Saturday for the rest of my life

And everyone standing in line

Yeah, looking good and looking for a real good time

And I never had to wonder if

I ll have someone to share out of this wish

Chorus:

And it s all right, it s all right, it s all right, it s all right, it s all right

Bright lights bigger city belongs to us tonight, tonight

Guess I need it, everybody does  
Got tells and conversation, music and making love

Chorus:

And it s all right, it s all right, it s all right, it s all right, it s all  
right

Bright lights bigger city belongs to us tonight, tonight X 2
