[Lead bit]

```
e|-----|
b|-----|
G|-----|
D|-----0-2-0-|
A|--3--3-3-3-----3--3---3-----|
E|-----3-----3-----|
```

**C**

Well I wander around after hours of words

**Em**

And I ve waited in vain here for weeks

**Dm**

The ghost of a girlfriend was here in my room

**Am**

**G**

I can still smell her perfume in my sheets

**C**

But thats not her in my bed, though shes out on the town

**Em**

And I dont want anyone to see

**Dm**

Theres a tattoo of my name on her body but honestly

**Am**

**G**

The man holding her hand isnt me

C or [Lead bit]

Oh honey how could you regret me when you know you cant forget me

**C**                                  **F#dim**  
But its ok to say that you love me  
**Dm F**                                  **Dm F**  
I think of you, still think of you  
**C**                                  **F#dim**                                  **Dm F**                                  **Dm F**  
Ok, say that you love me, I think of you, still thinking of you

[Lead Bit]

**C**  
I thought that once you had one you had every woman  
**Em**                                  **Dm**  
Until I lost this legendary woman, now Im sure  
**Am**                                  **G**  
That they dont make em like her anymore  
**C**  
So please baby, please love  
**Em**  
Lets find a way to forgive each other  
**Dm**  
I got out of hand ever since your gone  
**Am**                                  **G**  
Without you Im still alone

C or [Lead Bit]

Oh how could you regret me when you know you cant forget me

**C**                                  **F#dim**  
But its ok to say that you love me  
**Dm F**                                  **Dm F**  
I think of you, still think of you  
**C**                                  **F#dim**                                  **Dm F**                                  **Dm F**  
Ok, say that you love me, I think of you, still thinking of you

**Dm**                                  **Am G**  
I make mistakes Im only human  
**Dm**                                  **Am G**  
And I am not ashamed to say  
**F**                                  **G**  
That you are the one

Instrumental

C, F#dim, Dm, F, Dm, F

**C**                                  **F#dim**  
But its ok to say that you love me

**Dm F** **Dm F**  
I think of you, still think of you  
**C** **F#dim**  
But its ok to say that you love me  
**Dm F** **Dm F**  
I think of you, still think of you

Repeat till end.
