

Only You
Cee Lo Green

Hey guys, J.R. here. This is the first song I posted chords for on the site and I think they re pretty accurate but feel free to switch up the chords around and post a different version if you feel it sounds better.

If you have time check me out on youtube @officialinfamizytube. Thanks again.

G **Bm**
I started a war in the land that all night owns war
Em
Wish I could take those stupid things I said
C **Cm**
How could I be so foolish
G **Bm**
I called out to god but the devil keeps answering
Em
Im trying every little remedy I can
C **Cm**
But this is all just bullshit

Am **Cm**
When everybody says, time will clean up this mess

G **Bm**
But only you, only you
Em
Only you can make it better put me back together
C **Cm**
Come on baby lets be real
G **Bm**
Only you, only you
Em
Only you could stop the breathing, give me what Im needing
C **Cm** **G**
Tell me so my heart can heal..only you

G **Bm**
Im dressing my wounds, but blood it keeps soaking through
Em
Yeah I cut just a little bit too deep
C **Cm**

And I feel so dizzy
