Cee Lo Green

A fantastic yet easy song to figure out off of Cee-lo Green s excellent, new album: The Lady Killer!!

Key: Bb (If you d like to use a capo, clip it on 1 and play in A)

Bb F

Baby...

Eb

Where s the road taking us

F Eb

And maybe that s why they call it making love

Gm Eb

And darling I will do my best

Gm Eb

I m falling at the feet of your highness

Eb

Dont need to ask the answers always yes

Bb F

Well the least I can do is try

Eb Bb

I want you to think your satisfied

F Eb

Oh let me satisfy you

(same)

The least I can do is try

I want you to think your satisfied

Oh let me satisfy you

Bb F

And baby (baby)

Eb

Baby just wait and see

Bb F

And maybe (maybe)

Eb

It just takes a little faith in me

Gm Eb

A friend of mine followed my lead

Gm Eb

He wanted to make sure that I succeed

Eb

A little encouragement is all I ll need

Well the least I can do is try

I want you to think your satisfied

Oh let me satisfy you
The least I can do is try
I want you to think your satisfied
Oh let me satisfy you
