VERSE 1:

E **D** **A** **E**
Is there somebody out there that makes me feel as cold?
E **D** **A** **E**
We used to go and run in circles where you would tell me to go
E **D** **A** **E**
Yeah were you ever sorry, that you made me feel so blue?
G **D** **F#m** **F#**
No you didnt care you just left me there, alone

E **D** **A** **E**
Silly girls they are calling, calling out your name
E **D** **A** **E**
Baby its not your fault no your not not the one to blame
E **D** **A** **E**
Did you think I was waiting, waiting just for you?
G **D** **F#m** **F#**
Baby I got I got better things to do

Just tell me baby

[CHORUS]

E **D**
Tell me how to get close to your heart
A **E**
Tell me how to get close to your heart
E **D** **F#m F#**
Tell me how to get close tell me now now yeah
E **D**
Tell me how to get close to your heart
A **E**
Tell me how to get close to your heart
E **D** **F#m F#**
Tell me how to get close tell me now now

VERSE 2:

E **D** **A** **E**
You just keep on complaining that we re taking this too slow
E **D** **A** **E**
Honey don t get me wrong but I just want to let things go, Yeah

Tell me how to get close to your heart
