Celine Dion

[Intro] **Bm   Em   Em/C#   F#   Bm   Em   Em/C#   Bm   Bm/D   Em   Em/D   F#7   Bm F#7**

        Bm
I couldn t live
       Em   **F#**
I couldn t live without your love
For one kiss
    Bm
Well, I d give everything up
      Em/C#   **F#**   **Bm/D**   **Em**
There s no words that can describe what I feel deep inside
    Bm   **F#**   **Bm B7**
So I let this song say it all
                    Em G#° C#7/G#
Then I hope you ll understand
                    F# Bm Em A7 Dsus4 D
Once you ve listened to the end
      Em/C#   **F#**
Heard the music in my head
   Bm   **Bm/D**
So before I could forget
     Em   **Em/D**
I start singing
       Em/C#   **F#**   **Em**   **A D**
Yeah I was singing this song for you
        Em   **F#**   **Bm**   **Em**   **A7**   **D**   **G**
Just made up the words,   yeah
          Em/C#
My heart wrote the melody
     F#   **Bm**   **Em**   **Em/C# F# Bm Em Bm Em F# Bm**
So I can sing this song for you
