

A World To Believe In
Celine Dion

(F)

I ve seen the tears and the

(Dm)

heartache, and I felt the pain.

(Bb)

I ve seen the hatred in so many

(F)

lives lost in vain.

(C)

And yet through this darkness

there s always a light that

(Dm)

(Bb)

shines through

(F)

(C)

And takes me back home

(F)

Takes me back home

(Dm)

All of the promises broken

(Bb)

(F)

And all of the songs left unsung

(Bb)

(Dm)

(C)

Seems so far away as I make my way back to you

[Chorus:]

(Bb)

(F)

You gave me faith and you gave me
a world to believe in

(Bb)

You gave me your love to believe in

(Dm)

(C)

And feeling this love I can rise up above

(Bb)

(C)

(Dm)

And be strong and be whole once again

(F)

I know that dreams we hold on

(Dm)

to, can just fade away

(Bb)

And I know that words can be

(F)

wasted, with so much to say

(C)

And when I feel helpless

there s always a hope that
(Dm) (Bb)
shines through
(F) (C)
And makes me believe
(F)
Makes me believe

(Dm)
And I see for one fleeting moment
(Bb) (F)
A paradise under the sun
(Bb) (Dm) (C)
I drift away and I make my way back to you

[Chorus:]

[Bridge:]
(F) (Bb)
Life goes on
(Dm) (Bb)
It can leave us with sorrow and pain.
(F) (Bb)
And I hold on
(Bb)
To all that you are
(Bb)
To all that we ll be
(Bb) (C)
And I can go on once again

(G)
you gave me a world to believe in
(Cadd9)
You gave me your love to believe in
(Em) (D)
And feeling this love I can rise up above
(Cadd9) (D) (Em)
And be strong and be whole once again (times 2)

(Cadd9) (D) (Em)
Because your love hears my soul once again.
(Cadd9) (D) (Em)
I can live, I can dream once again
(D) (G)
Because you made me believe.
