Verse2(the same chords)

It s all about giving, it s not about winning the game
My mind was open, ready or not you closed it up again
Still I keep asking, if you got something to hide
I never stop learning, all the reasons why

It took about a minute
To find the point and hit it
Gotta take this life and live it
Cause everyting has changed and now

I ain t gonna look the other way No no
After all the clouds go by, its just another empty sky
I aint gonna wait to see the rain No no

Bb **Dm**
Nothin s gonna make it right, look at me cause I choose life

Bridge:

C **F** **Bb**
When all the lights go out so suddenly, I lose my way

Bb
So baby tell me Is something going on

Bb **G**(key changes to **G** or **Em**)
You gotta free me, this time I m gonna be strong

G **D** **Am**
I ain t gonna look the other way No no

C **G**
After all the clouds go by, its just another empty sky

G **D** **Am**
I aint gonna wait to see the rain No no

C **G**
Nothin s gonna make it right, look at me cause I choose life

Repeat Chorus
