

Alone  
Celine Dion

Verse 1

**Am**                **F**                                **G**  
I hear the ticking of the clock  
             **Em**                                **Am**                                **F** **G** **E**  
I m lying here the room s pitch dark  
**Am**                **F**                                **G**  
I wonder where you are tonight  
             **Em**                                **Am**                                **F** **G** **E**  
No answer on the telephone

Refrain

**F**                                **C**                                **F**        **C**  
And the night goes by so very slow  
             **F**                                **C**                                **F**        **G**  
Oh I hope that it won t end though  
**C**  
Alone...

Chorus

**Dm**    **Bb**    **F**                                **C**                                **Dm**  
Till now I always got by on my own  
**Bb**                                **F**                                **C**                                **Dm**    **Bb**    **F#m**  
I never really cared until I met you  
             **F**                                **C**  
And now it chills me to the bone  
**Dm**                                **Bb**                                **C**  
How do I get you alone  
**Dm**                                **Bb**                                **C**  
How do I get you alone

Verse 2

**Am**                                **F**                                **G**  
You don t know how long I have wanted  
             **Em**                                **Am**                                **F**        **G**        **E**  
to touch your lips and hold you tight  
**Am**                                **F**                                **G**  
You don t know how long I have wanted  
             **Em**                                **Am**                                **F**        **G**        **E**  
and I was going to tell you tonight

Refrain

**F**                                **C**                                **F**        **C**  
But the secret is still my own

**F** **F** **C** **G**  
and my love for you is still unknown  
**C**  
Alone....

Chorus 2

**Dm** **Bb** **F** **C** **Dm**  
Till now I always got by on my own  
**Bb** **F** **C** **Dm** **Bb** **F#m**  
I never really cared until I met you  
**F** **C**  
And now it chills me to the bone  
**Dm** **Bb** **C**  
How do I get you alone  
**Dm** **Bb** **C**  
How do I get you alone
