Did you ever fall in love at the right time or place

At its own kind of pace

Don t find a reason to say

Coulda Woulda Shoulda

But I didn t do that

You gotta give it a shot

Dare to believe

Just throw in everything you ve got

Cause in love there s no holding back

You tell me that you play it safe cause you re afraid
To hurt your neck
On that rollercoaster trip
Never knowing what you d get
But do you wanna be cynical

On a date with destiny
Giving up the greatest rush
Who knows what it turns out to be
No don t you miss out on the way
Don t find a reason to say
