

Coulda Woulda Shoulda
Celine Dion

Intro: **G, D, C, Em, D**

G **D**
Did you ever fall in love at the right time or place
C
Does it always have to move
Em **D**
At its own kind of pace
G
When you re driving on cruise control
D
Coming off a bumpy ride
C
And your heart is back in shape
Em **D** **Am**
Then it hits you with no chance to hide
Em **D** **C**
But don t you miss out on the way
Em **D**
Don t find a reason to say

Chorus:

G
Coulda Woulda Shoulda
D
But I didn t do that
C
You gotta give it a shot
Em
Dare to believe
D
And don t say you
G
Coulda Woulda Shoulda
D
But I didn t do that
C
Just throw in everything you ve got
Em **D**
Cause in love there s no holding back

You tell me that you play it safe cause you re afraid
To hurt your neck
On that rollercoaster trip
Never knowing what you d get
But do you wanna be cynical
