

How Does A Moment Last Forever
Celine Dion

B F# B
How does a moment last forever?
E B
How can a story never die?
E B
It is love we must hold onto
G#m F#
Never easy, but we try
B F# B
Sometimes our happiness is captured
E B
Somehow, our time and place stand still
E F# B A#m D#
Love lives on inside our hearts and always will

G#m E F# G#m
Minutes turn to hours, days to years then gone
B F# B
But when all else has been forgotten
E F# B
Still our song lives on

D A D
Maybe some moments weren't so perfect
G D
Maybe some memories not so sweet
G D
But we have to know some bad times
Bm A
Or are lives are incomplete
D A D
Then when the shadows overtake us
G D
Just when we feel all hope is gone
G A D
We'll hear our song and know once more
C#m F#
Our love lives on

D A D
How does a moment last forever?
G D
How does our happiness endure?
G D
Through the darkest of our troubles
Bm A
Love is beauty, love is pure

D A D
Love pays no mind to desolation

G D
It flows like a river through the soul

G A D
Protects, persists, and perseveres

C#m F#
And makes us whole

Bm G A Bm
Minutes turn to hours, days to years then gone
D A D
But when all else has been forgotten
G A D
Still our song lives on
D A D
That's how a moment lasts forever
G A D
When our song lives on
