

If Thats What It Takes

Celine Dion

D A Bm  
You re the bravest of hearts, you re the strongest of souls  
D A Bm  
You re my light in the dark, you re the place I call home  
G A  
You can say it s all right, but I know that you re breaking up inside  
Em  
I see it in your eyes  
D A Bm  
Even you face the night afraid and alone  
A  
That s why I ll be there

E B  
When the storm rises up, when the shadows descend  
E A B  
Ev ry beat of my heart, ev ry day without end  
E B  
Ev ry second I live, that s the promise I make  
E G A C  
Baby, that s what I ll give, if that s what it takes  
E  
If that s what it takes

D A Bm  
You can sleep in my arms, you don t have to explain  
D A Bm  
When your heart s crying out, baby, whisper my name  
G A  
Cause I ve reached out for you when the thunder is crashing up above  
Em  
You ve given me your love  
D A Bm  
When you smile like the sun that shines through the rain  
A  
That s why I ll be there

E B  
When the storm rises up, when the shadows descend  
E A B  
Ev ry beat of my heart, ev ry day without end  
E B  
I will stand like a rock, I will bend till I break  
E G A B  
Till there s no more to give, if that s what it takes  
E A G  
I will risk everything, I will fight, I will bleed

**G**

**A**

**B**

I will lay down my life, if that's what you need

**E**      **A**

**G**

Every second I live, that's the promise I make

**A**

Baby, that's what I'll give, if that's what it takes

**E**

**A**

**Bm**

**G**

Through the wind and the rain, through the smoke and the fire

**A**

**E**

**G**

When the fear rises up, when the wave's ever higher

**A**

**E**

I will lay down my heart, my body, my soul

**G**

**A**

**B**

I will hold on all night and never let go

**E**

**B**

**A**

Every second I live, that's the promise I make

**G**

**B**

**A**

Baby, that's what I'll give, if that's what it takes

**A**

If that's what it takes

**G**

**A**

whatever it takes, whatever it takes

**A**

If that's what it takes

**G**

**E**

**G**

whatever, whatever, whatever it takes
