

If Thats What It Takes  
Celine Dion

**E B C#m**  
You re the bravest of hearts, you re the strongest of souls

**E B C#m**  
You re my light in the dark, you re the place I call home

**A B**  
You can say it s all right, but I know that you re breaking up inside

**F#m**  
I see it in your eyes

**E B C#m**  
Even you face the night afraid and alone

**B**  
That s why I ll be there

**F# C#**  
When the storm rises up, when the shadows descend

**F# B C#**  
Ev ry beat of my heart, ev ry day without end

**F# C#**  
Ev ry second I live, that s the promise I make

**F# A B D**  
Baby, that s what I ll give, if that s what it takes

**F#**  
If that s what it takes

**E B C#m**  
You can sleep in my arms, you don t have to explain

**E B C#m**  
When your heart s crying out, baby, whisper my name

**A B**  
Cause I ve reached out for you when the thunder is crashing up above

**F#m**  
You ve given me your love

**E B C#m**  
When you smile like the sun that shines through the rain

**B**  
That s why I ll be there

**F# C#**  
When the storm rises up, when the shadows descend

**F# B C#**  
Ev ry beat of my heart, ev ry day without end

**F# C#**  
I will stand like a rock, I will bend till I break

**F# A B C#**  
Till there s no more to give, if that s what it takes

**F# B A**  
I will risk everything, I will fight, I will bleed

**A** **B** **C#**  
I will lay down my life, if that s what you need  
**F#** **B** **A**  
Ev ry second I live, that s the promise I make  
**B**  
Baby, that s what I ll give, if that s what it takes

**F#** **B** **C#m** **A**  
Through the wind and the rain, through the smoke and the fire  
**B** **F#** **A**  
When the fear rises up, when the wave s ever higher  
**B** **F#**  
I will lay down my heart, my body, my soul  
**A** **B** **C#**  
I will hold on all night and never let go  
**F#** **C#** **B**  
Ev ry second I live, that s the promise I make  
**A** **C#** **B**  
Baby, that s what I ll give, if that s what it takes

**B**  
If that s what it takes  
**A** **B**  
whatever it takes, whatever it takes  
**B**  
If that s what it takes  
**A** **F#** **A**  
whatever, whatever, whatever it takes
